

THINK TOMORROW THINKMED!

1th Edition of the International Contest of creative ideas and development

The competition aims to enhance the ideas and projects of the new generations directed to stimulate the socio-economic development of the Mediterranean area.

The competition consists of:

1. I.C.T. (Information Communication Technology):
advanced and innovative technological solutions that can have important effects on improving life quality of the reference communities.

2. Development projects:
projects aimed to improve living conditions in the Mediterranean area from an environmental, cultural, social and economic point of view.

How to participate

Participation is reserved for young people aged between 18 and 35 residing in one of the countries bordering the Mediterranean: Albania, Algeria, Bosnia and Herzegovina, Cyprus, Croatia, Egypt, France, Jordan, Greece, Israel, Italy, Libya, Lebanon, Malta, Morocco, Mauritania, Monaco, Montenegro, Palestinian National Authority, Syria, Slovenia, Spain, Tunisia, Turkey.

It is allowed to participate individually or collectively.
